

Cress egg heads

You need

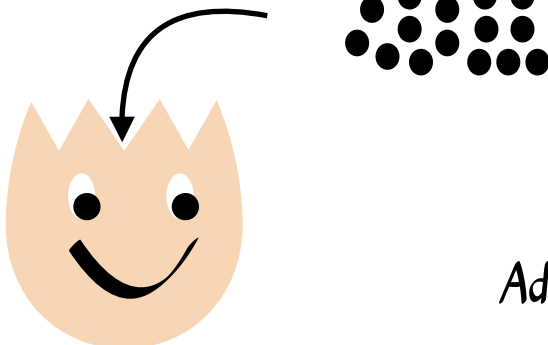

- Egg shells, washed and dried
- Cotton wool
- Base of egg box
- Cress seeds
- Felt tips

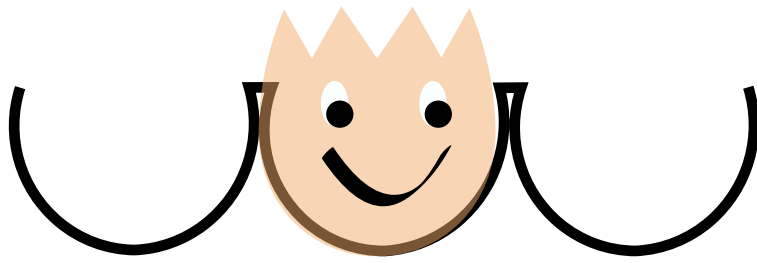

Draw face on eggshell with felt tips

Fill inside of eggshell with cotton wool

Add a pinch of cress seeds

Stand egg shell in egg box base

Water the cotton wool

Watch the cress grow over the next couple of weeks

Remember to water the eggshells, then when the cress has grown, cut it to put in your egg sandwiches.
